September 11, 2016 marks the 15th anniversary of the terrorist "Attack on America," of September 11, 2001.

The Town of Chesapeake Beach invites you to join us at Chesapeake Beach Veterans' Memorial Park on September 11, 2016 at 8:00 PM for a candlelight vigil. We will honor those who lost their lives as well as the "first responders" who helped to save so many during that horrific chain of events, as they occurred across our Country.

We graciously ask that you help us spread the word of the upcoming ceremony within your organizations and in your communities. We ask that anyone who has a personal reflection of that day that they would like to share, please contact Connie O'Dell, Town of Chesapeake Beach Community Development Director via email at [codell@chesapeakebeachmd.gov](mailto:codell@chesapeakebeachmd.gov). We would especially like to hear from first responders or family members who were directly affected.

Please tell your friends, neighbors and organizational members about this event. It would be so fittingly special to have representation from each branch of the military as well as police, fire and rescue. With your help, we can make that goal a reality while sharing our sense of unity and patriotism.
