KRYSTAL BUSKIRK

The Vietnam Memorial placed at the Chesapeake Beach Veterans' Memorial Park, by the Nam Knights of America, MC is a visual structure to honor those who served, died or were injured during the Vietnam War. A memorial is not about a war – it is about those who served during that war. It is about honoring and recognizing the sacrifice, courage and dedication of our heroes!

I hope the Vietnam Memorial will help in healing, forgiveness and honoring the memories of veterans, while allowing us never to forget the pain and suffering. This memorial is made of granite – symbolizing the strength, courage and endurance of our Military and of our Nation. It stands strong, quiet and deliberate in honoring those who served during the Vietnam War and the more than 58,044 killed in action. This memorial honors all veterans!

Past President, Nam Knights of America MC, Old Line Chapter

NANCY FEUERLE

As the Nam Knights of America MC, Old Line Chapter geared up for the Memorial Day dedication, we had an opportunity to inspect the memorial, now in its permanent spot. I found myself, now the chapter President, standing in front of the memorial and experiencing a moment of overwhelming grief followed by intense joy and rushing excitement. Experiencing these three emotions so close together almost took my breath away. In retrospect, I think I was blessed to feel briefly what so many of the Vietnam veterans, who survived the war have felt and feel every day. These veterans experienced the grief over the loss of comrades, the pain and suffering dished out by the enemy and the ridicule from their own country. Some have lived long enough now to experience the joy that comes from finally receiving the respect they surely earned. Then there are some of these veterans, like many of those in the Nam Knights of America MC, who have finally been able to feel the excitement of seeing younger generations learning from the past and working hard to honor the memory of those who never made it home.

This Vietnam War memorial is a symbol of strength, resiliency and healing for all those affected by the Vietnam war. It is also a symbol for future generations to view, reflect and hopefully be blessed to feel the emotions of crushing grief, intense joy and rushing excitement. Our country's memorials are for the living to view, learn and remember the cost of freedom.

God Bless America and a sincere "Thank You" to our service men and women and to all our county's veterans.

VIETNAM VETERANS' MEMORIAL IN CHESAPEAKE BEACH

Bruce Wahl, pictured on the right, with a Mantegnard lady during a visit to the local surrounding area in the Central Highlands.

The Chesapeake Beach Veterans' Memorial Park was constructed during 2001. Although it had not yet been completed, it was pressed into service on September 15, 2001 – just four days after the horrific attacks on the United States at New York's World Trade Center, the Pentagon and in Shanksville, Pennsylvania. A candlelight vigil was held that Saturday night so many years ago, where nearly 1,000 people gathered to share their shock and grief over the brutal attacks on innocent American citizens. Veterans' Park has been the site for Veterans' Day and Memorial Day commemorations ever since, has become symbolic for all of us who have served, and is a place to honor relatives and friends who have served our country. It is a focal point for the annual "Stars and Stripes Festival," observed on Memorial Day weekend every year.

When I returned from Vietnam in 1971, I, like so many others, took off my uniform and barely acknowledged my service. It was not uncommon for returning Vietnam Veterans to be cursed, called "baby killers" and even spat upon as we returned after faithfully serving our country. It was not until the Vietnam Veterans' Memorial was dedicated in Washington, D.C. in 1982 that the veterans of "my war" began to gain some respect. Then, when the U.S. entered into Desert Shield and Desert Storm in the early 1990s, returning veterans were finally showered with adulation and dignity for their service.

I am very grateful that I was a member of the Town Council when Veterans' Memorial Park was conceived and built, and that I was Mayor when the Old Line Chapter of the Nam Knights Motorcycle Club approached the Town with the idea of placing a memorial in our park to acknowledge the service and sacrifice of Vietnam Veterans. I am thankful that the Town Council agreed to allow the Nam Knights to add the Vietnam Veterans' Memorial to the park. It is a wonderful tribute to members of my generation who served our country when called upon to do so. The Nam Knights are my brothers, and I am proud to call them my friends, and I truly appreciate their efforts to create the new Vietnam Veterans' Memorial in Chesapeake Beach.

God Bless America and God Bless those who have served our wonderful country!

Bruce A. Wahl, Mayor
