

Participation in the CBOCS programs has increased dramatically over the last two years, often credited to the children who have taken class field trips to Fishing Creek.

#### Oyster Education, *continued from page 1.*

Education of the students at our local elementary school has been an important part of the CBOCS program for the past two years. We have supported a Beach Elementary 5th grade class field trip to Fishing Creek in both the fall and the spring. This fall we are working with CHESPAX to increase access to Fishing Creek and the CBOCS oyster program. Seven field trips by five northern Calvert County elementary schools will be taking advantage of our educational opportunities in the upcoming year.

To support this expanded school program, a committee of CBOCS volunteers has produced a 20-page activity book entitled "Treasures of Fishing Creek." This book will be given to the students to enhance their field trip experience. Residents may obtain a copy at Town Hall.

The next major CBOCS event involving students is the decorating of 500 oyster shells to be placed on the Town-

sponsored "Festival of Trees" Christmas tree at the end of November. Make a date to visit this tree at the festival or at Town Hall throughout the month of December.

During the recent transfer of oysters from Fishing Creek to the Old Rock Reef in the Chesapeake Bay, 20 percent of the volunteers were students. Even more showed up the following week as CBOCS reloaded 75,000 oyster spat into cages along Fishing Creek and bay front piers. Their helping hands were greatly appreciated. Many members to CBOCS credit their children's interest in this endeavor for encouraging them to take an active part in the CBOCS program. Membership has increased in the last two years from 40 to more than 100 volunteers.

CBOCS will continue to expand the educational aspects of our program by inspiring "one student at a time" to become a steward for the future health of the bay through increased oyster restoration. ■

# Light Up the Town

Join our special guests Mr. and Mrs. Claus on **December 1** at 6:00 p.m. when we **"Light Up the Town."** This annual event kicks off the Chesapeake Beach Holiday Season. There will be Christmas music and caroling provided by the young people in our community. Mr. and Mrs. Claus will greet the little ones and hand out treats. Bring your camera; there will be wonderful photo opportunities.

This also marks the kick-off of the **"Brightest Beacon on the Bay"** contest. Decorate your home, business or boat to be judged in our annual contest. Show your community and holiday spirit. Call Town Hall at 410-257-2230 or email [codell@chesapeake-beach.md.us](mailto:codell@chesapeake-beach.md.us) to enter the judging contest. Judging will take place on Monday evening, **December 16** after 6:00 p.m. Please have your entries filed with Town

Hall and your lights and displays on and in working order by that date. Remember, you can enter your friend or neighbor too! Chesapeake Beach has grown over the last few years, and the judges do not necessarily tour every street in Town; so if you see something you like, call or email us. We would rather get several calls about a great display than not find out about it until it's too late. The winners will be announced at 7:30 p.m. on Thursday, **December 19** immediately preceding the monthly Town Council meeting.

Please invite your friends and family to visit and take a self-guided driving tour to see the "Brightest Beacon on the Bay" winners as well as our beautiful Town displays. A "Brightest Beacon" winner's list will be available at Town Hall or on our website [www.chesapeake-beach.md.us](http://www.chesapeake-beach.md.us) on Friday,

NANCY FEUERLE

**December 20.**

The Chesapeake Beach annual lighting display will run through January 5, 2014. ■

NANCY FEUERLE

Chesapeake Village Luminaria will be held on **December 14** at dusk with the rain date being the following evening, December 15. Take a drive through the community and behold the peace, reverence and solitude of thousands of flickering candles lighting the way. While you are there don't forget to visit "Cannoncade Court" where the entire street was honored as "Brightest Beacon on the Bay" in 2012. ■

## PAT CARPENTER HOLIDAY PARADE

## Everybody Loves a Parade!

On Saturday, **December 7**, the merchants and communities of Chesapeake Beach and North Beach will hold their Seventh Annual Holiday Parade. The annual parade has been renamed "The Pat Carpenter Holiday Parade" in memory and honor of its founder who passed away last year.

The parade is being held in conjunction with the annual two-day **Holiday Celebration at the Beaches** on **December 7 and 8**, sponsored by The Bay Business Group, The North Beach Home and Garden Club and the Beaches antique dealers. The theme of this year's parade is "Christmas Around the World."

The parade begins at 12:00 noon at the corner of 1st Street and Bay Avenue in North Beach. The parade concludes at 7th Street and Bay Avenue at approximately 1:00 p.m.

Again this year, the parade will include local school groups, antique cars, motorcycles, floats sponsored by local organizations and merchants, elected officials, children of all ages, pets and their owners, Mrs. Claus and of course Santa riding on a North Beach Volunteer Fire Department truck. At the conclusion of the parade, Santa visits with children and their families and will provide Christmas treats to all who attend.

If you would like to "join the parade," please contact Bob Carpenter at 703-980-2144 (cell) or by email at [bobcarpenter1957@gmail.com](mailto:bobcarpenter1957@gmail.com), no later than November 30. ■

## Visit the Railway Museum Over the Holidays!

On Sunday, **December 8** from 2-4 p.m. the Chesapeake Beach Railway Museum will host the annual Holiday Open House. Come see the depot dressed up for the holidays! There is no fee for this event. All are welcome to attend!

On Friday, **December 20**, the Chesapeake Beach Railway Museum will again offer the popular, dramatic reading of the *Polar Express* by our own Conductor John, followed by a trolley ride around Town to see the Christmas lights. This event is free! Contact the Railway Museum for details as they become available at 410-257-3892. ■

students, refreshments, and the magic count down to turn on the Holiday Lights all over Town. The Crab Pot Christmas Tree is making a return engagement at Town Hall, and a new attraction will be unveiled this year that is bound to capture your fancy! Be sure to join in on the fun!

## ANNUAL PAT CARPENTER CHRISTMAS PARADE

Be sure to come out to enjoy the annual Pat Carpenter Christmas Parade on Saturday, **December 7** at noon. The procession starts at 1st and Bay in North Beach, and progresses to 7th and Bay. Last year there were over 100 participants. Santa rides on North Beach VFD's Tower One ladder truck and greets all of the children.

This parade was originally organized by our beloved Pat Carpenter, who we dearly miss. Councilman Bob Carpenter has stepped up to continue the tradition, and I personally appreciate this.

## SIGN UP FOR BLAST EMAIL NOTIFICATIONS

With the winter season upon us, be sure to sign up for the Town's Blast email service. We use this service to provide important information during weather emergencies, but that won't do you any good unless you've signed up. Sign up on the bottom left side of the Town's website at [www.chesapeake-beach.md.us](http://www.chesapeake-beach.md.us).

## VOLUNTEERS NEEDED

We are always in need of volunteers to serve on our Boards and Commissions. If you have an interest in serving your fellow Chesapeake Beach citizens on the Board of Elections, Planning and Zoning Commission or Zoning Board of Appeals, please express your interest to Town Clerk Sharon Humm. You can email Sharon at [shumm@chesapeake-beach.md.us](mailto:shumm@chesapeake-beach.md.us).

## REFERENDUM ELECTION

The Town Council has set the date for the Utility Rate Referendum Election as Saturday, **December 7**. The polls will be open at Town Hall from 7 a.m. to 8 p.m. A sample ballot is pictured below. If the result of the Referendum Election is that the majority of the ballots cast "approve" the rates, the rates will be as stated in the Referendum Petition. If the result is to "reject" the rates, then the Town Council must adopt a replacement rate structure by ordinance.

## QUESTION:

## Referendum Petition

Only that Portion of Ordinance O-13-8, Setting the Sewer Use Rate and the Water Use Rate.

That portion only of Ordinance O-13-8, "An Ordinance of the Town Council of Chesapeake Beach, Md., Adopting the Annual Budget for the Utility Fund of the Town of Chesapeake Beach for the Fiscal Year July 1, 2013 to June 30, 2014, and Setting Rates, Charges and Fees Related to the Water and Sewer Service by the Town," that establishes the Sewer Use Rate of \$11.28 per thousand gallons and the Water Use Rate of \$4.28 per thousand gallons, adopted in Section 2 of Ordinance O-13-8, as set forth in the Amended Schedule A, Fee and Rate Schedule.

- ☐ Approve Sewer Use Rate of \$11.28 per thousand gallons and the Water Use Rate of \$4.28 per thousand gallons
- ☐ Reject Sewer Use Rate of \$11.28 per thousand gallons and the Water Use Rate of \$4.28 per thousand gallons

That's it for now. Be sure to stop in on a "Mayor's Night Out" if you'd like to chat or talk to Town department heads about any concerns.

My best wishes for a great holiday season!

**Bruce Wahl**

Mayor of the Town of Chesapeake Beach

## Haunted Water Park Takes on a New Look!

Story by Connie O'Dell and Photography by Nancy Feurele

The weather was beautiful on Sunday, October 20 for the annual Halloween Haunted Water Park. The atmosphere within the Park was electrifying and entertaining. The Twin Beach Players Youth Troupe under direction of Regan Cashman and Vivian Petersen transformed the Cave area into "spooktacular" fun for the older kids. The Players also surprised the crowd with a flash mob scene performed to Michael Jackson's Thriller! The rest of the pool became an Enchanted Forest area for the young and young-at-heart. Special guests included the Superheroes of Southern Maryland – Batman, Spiderman, Darth Vader and Elmo. Also attending were Pizza Slice, the Calvert Marine Museum Otter and Quacks, the Water Park Duck. One of the biggest hits was the Chesapeake Beach Water Park display featuring "Ariel, the Mermaid" of Disney fame. Music was provided by Crow Entertainment. A huge "Thank You" goes out to the many businesses and organizations who handed out treats and gifts to our guests. ■

## REMINDER: Tenant Utility Billing Agreement

James Parent, Town Administrator

Please be advised that the Town of Chesapeake Beach Utilities Department does not allow a property owner to have a water / sewer bill put in a tenant's name.

The utility bill will be sent to the owner of the property. It will be the responsibility of the property owner to see that the bill is paid. If you are a property owner who has tenants and are not receiving a utility bill, please call Town Hall at 410-257-2230 to have your address changed. ■

The 2014 season will be our 20th Anniversary at the Water Park. We are planning to make this the best season ever!

## Another Successful Season At The Chesapeake Beach Water Park

Story by Laura Krick and Marilyn VanWagner

It is hard to believe another Season has come and gone. We want to offer a special thanks to all of you that came to visit us this summer!

**RECAP OF THE 2013 SEASON:** We hope you were able to enjoy our **Chesapeake Beach Appreciation Days**. We have had lots of positive feedback, and we are excited to say that we will be bringing these special days back next season. This makes it worth mentioning again – as a reminder for 2014, every Tuesday, all Chesapeake Beach residents and their guests get in for half price. And then from 4 -7 p.m., we offer free admission for all Chesapeake Beach residents.

**Our newly famed, big, yellow, feathery friend, Quacks, was a big hit this summer!** Quacks is now a permanent member of our Water Park family. He made regular appearances and welcomed many guests over the summer. He brought smiles to children's faces both at the Park and also at many Town events. Quacks joined us recently at the Haunted Water Park Halloween event. Have you had your picture

taken with Quacks yet? He loves to be in front of the camera!

Quacks played an integral part in our debut season of our **Duck Race Fund-raiser** events. These events are a great way for schools and organizations to raise funds for their cause as well as have their own private party. We enjoyed successful events this past season and look forward to piloting many more next year. If you know of a school or organization looking to raise money and host their own, unique fundraiser, encourage them to visit our website and contact us for more information.

Did you come see us at the **Haunted Halloween Water Park** event? A Spook-tacular time was had by all! The Water Park was thrilled to sponsor the Baby Pool area where we created a scene from The Little Mermaid, complete with a live Ariel and Prince Eric! The weather that evening was beautiful, and the event was a great success. Kudos to Connie Odell who does Community Development and Special Events for the Town. It was her

enthusiasm that led us all into making this the best Haunted Water Park Event ever! We would also like to give a special "Thank You" to all of our local businesses who sponsored this event and helped to make it a fun evening for all of our guests who attended.

**WHAT'S HAPPENING NOW:** The **2014 Season Passes** are on sale now and are available on our website. We are offering a special Early Bird discount between now and January 31; after that time, the prices will increase. Water Park Season Passes make great holiday gifts for that someone special on your list! This way, you can offer "fun-in-the-sun" to your special loved one all summer long.

Our Water Park Advisory Committee is currently working hard on a maintenance list to revamp and give our Water Park a face-lift! We have a great committee with lots of momentum for capturing the improvements necessary to **keep the Water Park looking fresh and beautiful**.

Calling all teenagers, adults and seniors too! We have positions open for all ages. If you are looking for fun **summer-time employment**, we will be posting employment opportunities soon. We will begin accepting interview requests as early as December on our website, and interviews will start early in 2014. Stay tuned to Facebook or check out our website for more information on these dates.

**UPCOMING IN THE 2014 SEASON:** **You have been talking, and we have been listening!** We are developing a new program for the groups and summer camps to visit the park only on specified days and times. This will help to alleviate overcrowding of the Park and create a more

enjoyable experience for all.

Do you know of a local business which could benefit from advertising to over 65,000 people? As a **sponsor of the Chesapeake Beach Water Park**, businesses can make a small investment and reap great advertising rewards! A tailored commercial broadcasted over our **Splash Radio**, as well as their business name and logo displayed on our Sponsor Board and website are great ways to promote businesses! It is a win-win for both the Water Park and the business when we partner together! If you know of anyone who may be interested in taking advantage of this great advertising opportunity, please have them contact us on our marketing email at [waterparkgroups@chesapeake-beach.md.us](mailto:waterparkgroups@chesapeake-beach.md.us)

## Operation Hope on the Chesapeake Was a Huge Success!

Story by Mary Mathis, Events Director Eastern Division,  
Operation Second Chance – Operation Hope on the Chesapeake

Hello Citizens, Supporters and Volunteers,

Operation Hope on the Chesapeake has been able to host our wounded veterans from Walter Reed National Medical Center for the last seven years because of your endless support. Through your kindness and dedication, you have truly made a mark on the lives of our American heroes. Regardless of the task at hand, you have remained a true example of what we should aspire to become as citizens of this great country. Thinking back on the path we have taken together, I feel compelled to put those accomplishments on paper.

Anything worthwhile is a lot of work. You only measure the value of your hard work after you have been completely spent and the last chair is put away. Once the dust clears, you know the success or the failure of your mission. I believe on Saturday night, we all knew our mission was accomplished, and we had exceeded anything and everything we could have ever imagined the night before.

When the numbers doubled overnight, you never missed a step. You were able to add additional boats, prepare more food and find 25 more fishing rods among other things, all in just a few hours.

Our goal is to work quietly and do some good. If we entertain a thousand and help just one, it will be worth it. I can only hope that 50 years from now, a few of these young men and women will remember a visit to the Chesapeake Bay and think fondly of its citizens. Some may not share the difference you made, but know in their hearts you made a difference. Maybe this memory will bring some peace and contentment at the end of a very difficult journey.

Success takes hard work and dedication; any success comes on the back of someone who has gone before you and the people who stand next to you. I couldn't do any of this without your help, and I pray I will remain humble enough to know it. I have made so many friends in the most unusual situations. I will always have the memories we have created because of Operation Hope on the Chesapeake and will keep them close to my heart. I can only wish the same for each and every one of you. Knowing I have your support and enthusiasm makes it worthwhile. You are truly appreciated!

Your kindness has helped more than you will ever know. ■
