BONDING:

All work within the public right-of-way including work on water and sewer facilities, both to existing facilities and for new facilities, will require a bond to be posted in an amount approved by the Town Engineer plus a 50% contingency. (Bonding will be required prior to a permit to perform work is issued).

The Town may enact an Infrastructure Protection Ordinance which when and if effective, the associated Permit fees and bonds will be applicable. The purpose for the Infrastructure Protection Permit is to ensure the Town's infrastructure is protected from damage by private construction activity.
